

Graffiti Removal

"Get a GRIP"

Our Graffiti Removal Program (or "GRIP") has been recognized at the national level for being a true grass root effort to fight visual blight. Several city and county programs have been modeled after the City of Lompoc's program. The Police Department is proud to supervise this program and those volunteers donating their time and hard work. It is the goal of "GRIP" to attack and abate visual blight within 24 hours of receiving a report. If you have located graffiti within the Lompoc City limits please fill out the form below, hit the "submit" button and e-mail the form to us.
