Lompoc Recreation Division Holds Annual Father Daughter Dance

Participants can choose to attend one of three nights

LOMPOC, CA, Jan. 25, 2017 – The Lompoc Recreation Division is accepting registrations now for its Annual Father Daughter Dance, a special night of dancing, fun and father-daughter bonding.

This popular dance is for young ladies, ages 3 to 18, and the man in their life – whether that’s their dad or another father figure. This occasion allows dads to treat their little Valentine to a semi-formal night of dancing and festivities. Light refreshments will be provided throughout the evening. Each young lady receives an individually wrapped flower and a goody bag, included in the ticket price. Other novelty items will be sold, and affordable professional portrait packages will be available for purchase.

This program has sold out in past years and requires pre-registration. Due to the popularity of the Father Daughter Dance, the Recreation Division is offering the dance on three different evenings. Registrants can choose from **Fri. Feb.10, Sat. Feb.11** or **Sun. Feb. 12**. The dances will be held each night from **6 p.m.to 8:30 p.m.** Don’t miss the chance to make a lasting impression and a loving memory!

Tickets are **\$18** per couple; each additional child in the same family is **\$10** each. Participants must be accompanied by an adult. If space permits, tickets may be available at the door.

For more information or to purchase tickets, contact the Lompoc Recreation Division at 875-8100 or come by and see us at the Anderson Recreation Center, 125 West Walnut Avenue, Monday through Friday from 9 a.m. to 5 p.m.

City of Lompoc

The City of Lompoc, known as “The City of Arts and Flowers”, was founded as a town in 1874 and incorporated as a city on Aug. 13, 1888. Prior to the City’s establishment, the building of La Purisima Mission in 1787 marked the earliest European settlement in the Lompoc Valley. Growth in the Lompoc Valley was sparked by the 1901 completion of the coastal railroad between San Francisco and Los Angeles, which included the extension of a spur into Lompoc. The Lompoc Valley is home to Vandenberg Air Force Base, the first missile base of the United States Air Force. Today, the City of Lompoc is a travel destination known for its downtown mural program, local wines and acclaimed cuisine, historic landmarks, parks and nearby beaches. For more information, visit:
