

# JOB SEEKING

# 101

Are you thinking about getting a job this summer and not sure where to start? Lompoc Recreation Division is here to help you. During spring break, this three day camp will take teens through sessions to include: how to acquire and complete the application process, developing your resume, interview tips and techniques that are sure to land you that summer job that you really want. The week will conclude with a job fair for summer employment. Don't miss this great opportunity to land the perfect summer job.
