Lompoc Aquatic Center Reopens

Community encouraged to sign up for swim lessons and other aquatic center classes

LOMPOC, CA, April 5, 2017 – Following three months of closure due to an extensive replastering and refurbishment project, the Lompoc Aquatic Center will be completely reopened as of this coming weekend and ready to serve our community.

This **Sat. April 8**, our popular Aqua Play structure will be again available for public use. On April 3, our aqua aerobics and swim lessons started, and on March 27, our lap swimming, therapy pool and school functions restarted after the hiatus.

We encourage our community to come enjoy our improved Lompoc Aquatic Center, 207 W. College Ave.

Now is also a great time to sign up for swimming lessons. For a complete list of classes available at the Aquatic Center, access our [Spring Recreation Guide](#), and stay tuned for our Summer Recreation Guide which will be coming to mailboxes and available at cityoflompoc.com by the end of the month.

City of Lompoc

The City of Lompoc, known as “The City of Arts and Flowers”, was founded as a town in 1874 and incorporated as a city on Aug. 13, 1888. Prior to the City’s establishment, the building of La Purisima Mission in 1787 marked the earliest European settlement in the Lompoc Valley. Growth in the Lompoc Valley was sparked by the 1901 completion of the coastal railroad between San Francisco and Los Angeles, which included the extension of a spur into Lompoc. The Lompoc Valley is home to Vandenberg Air Force Base, the first missile base of the United States Air Force. Today, the City of Lompoc is a travel destination known for its downtown mural program, local wines and acclaimed cuisine, historic landmarks, parks and nearby beaches.
