Scam Callers Claim To Raise Funds For Lompoc Police

Call recipients are asked to avoid providing the caller any personal information or money, and to report incidents to police

LOMPOC, CA, April 25, 2017 – The Lompoc Police Department has received numerous reports over the last several days of community members receiving scam phone calls from people claiming to be raising money for Lompoc police and other local law enforcement agencies.

Some of the reports have involved the caller asking for money for a “police yearbook”, which doesn’t exist.

The Lompoc Police Department is asking the public to be alert for these types of scams, and to ask questions of the caller such as who their contact is at the police station and their business license number. Do not provide the caller with any personal information or money.

Recipients of these calls are asked to report the incidents to the Lompoc Police Department at: 805-736-2341. The police department can also help determine if the solicitor is legitimate.
