City Of Lompoc Passes Federal And State Water Quality Standards 2016 Water Quality Report now available

LOMPOC, CA, June 12, 2017 – Water testing results from 2016 have been released for the City of Lompoc, and the city has again met all drinking water health standards set by the U.S. Environmental Protection Agency (EPA) and the State of California.

The 2016 Water Quality Report is now available in brochures available at Lompoc City Hall, the Lompoc Aquatic Center, the Lompoc Public Library, the Dick DeWees Community and Senior Center, the Lompoc Water Treatment Plant and also in electronic form on the City of Lompoc website at: <http://www1.cityoflompoc.com/departments/utilities/2016ccr.pdf>.

Included in the Water Quality Report is information on water sources, treatment processes, management and planning, lead and copper, and how community members can learn more about the Lompoc Water Division.

Community members with water quality questions, or those wanting to get a copy of the Water Quality Report mailed to their home address, are asked to contact: (805) 875-8707.

City of Lompoc

The City of Lompoc, known as “The City of Arts and Flowers”, was founded as a town in 1874 and incorporated as a city on Aug. 13, 1888. Prior to the City’s establishment, the building of La Purisima Mission in 1787 marked the earliest European settlement in the Lompoc Valley. Growth in the Lompoc Valley was sparked by the 1901 completion of the coastal railroad between San Francisco and Los Angeles, which included the extension of a spur into Lompoc. The Lompoc Valley is home to Vandenberg Air Force Base, the first missile base of the United States Air Force. Today, the City of Lompoc is a travel destination known for its downtown mural program, local wines and acclaimed cuisine, historic landmarks, parks and nearby beaches.
