Lompoc Fire Department Open House

Lompoc Fire Department to host Open House in conjunction with Fire Prevention Week

LOMPOC, CA, October 3, 2017 – On Saturday October 7th, the Lompoc Fire Department will be holding an Open House at Fire Station 1 to kick off Fire Prevention Week. This year's theme is:

“Every Second Counts, Plan 2 Ways Out”

The focus of this year's campaign is to educate community members of the importance of having an escape plan in the event of a fire. The Lompoc Fire Department is joining forces with the National Fire Protection Association (NFPA) during Fire Prevention Week, October 7-14, to educate local residents about the importance of having an escape plan and practicing it with your family twice a year.

The Department is inviting community members to visit Fire Station 1, 115 South G Street, from 10 AM to 1 PM where we will have numerous interactive displays showcasing health and safety, tours of the fire station and equipment, lessons in hands only CPR, and many more activities.

For more information please contact Fire Station 1 at 736-4513
