Flood Emergency Response Training

LOMPOC, CA, October 6, 2017

Community members are invited to join us at Fire Station 1, 115 South G St, on October 18th from 6-9pm for Community Flood Emergency Response Training. The Lompoc Fire Department, in conjunction with the Department of Water Resources, Division of Flood Management will be conducting Flood Emergency Response Training. This training will encompass a discussion of: when floods occur, causes, flood hazards, contributing factors, flood risks, flood preparedness, protecting your property from flood, and what to do after a flood.

For more information please contact Battalion Chief Brian Federmann at Fire Station 1 (805) 736-4513
