LOMPOC, CA, Nov. 14, 2017 – The Lompoc Public Library is proud to announce the debut of its new Local Authors collection.

This collection features both fiction and non-fiction works for children and adults, all written and illustrated by Central Coast authors and illustrators who donated their works to the library. Local Authors will be a permanent collection of the Lompoc Public Library. The Lompoc Library welcomes the submission of additional works to the Local Authors collection. For more information, contact the library at: 875-8775.

Lompoc Library Director Sarah Bleyl said that writing is an important part of literacy, and the library is proud to feature the works of local writers.

“The Central Coast is home to countless talented authors, and we are honored to support these writers by featuring their works alongside the great literary classics,” Bleyl added. “We encourage community members to come in and take a look at our Authors Collection. It is our hope they will enjoy these books as much as we do.”
