**LOMPOC, CA, Dec. 14, 2017** – The Lompoc Recreation Division is pleased to announce the launch of its new online registration system for recreation programs, ACTIVE.

Active is not only what the Recreation Division encourages our community members to be, but it's also fittingly the name of the Recreation Division's new computer-assisted program registration and facility rental system. ACTIVE allows people to register for activities from their home, office or smart device.

ACTIVE goes live on **Mon. Dec. 18**. Customers are encouraged to register with ACTIVE ahead of go-live by clicking on the "Register Online" button at [www.cityoflompoc.com/parks\\_rec](http://www.cityoflompoc.com/parks_rec).

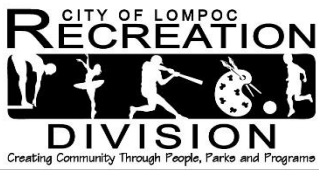

In addition to launching ACTIVE, the Lompoc Recreation Division has published its 2018 Winter/Spring Activity Guide, available on the city's website and coming to local mailboxes.

The Activity Guide is loaded with exciting new programs and events taking place January through April, all of which can be registered for through ACTIVE.

Registration for the new calendar of programs opens on ACTIVE's go-live date of Dec. 18. Aquatic Center Splash Pass members will also have the option of early-bird registration on this date, with all other customers able to sign up on Wed. Dec. 20 for 2018 spring swim classes.

The Lompoc Recreation Division is excited to offer our community the convenience of online registration. Community members with questions on ACTIVE are encouraged to contact the Recreation Division at 875-8100.
