Lompoc Recreation Division To Hold 2018 Father Daughter Dance *Participants can choose to attend one of three nights Feb. 9, 10 or 11*

LOMPOC, CA, Jan. 23, 2018 – The Lompoc Recreation Division is accepting registrations now for its annual Father Daughter Dance, a special night of dancing, fun and father-daughter bonding.

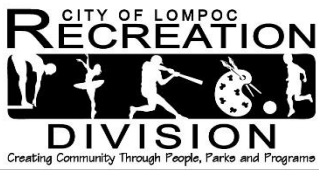

This popular dance is for young ladies, ages 3 to 18, and the man in their life – whether that’s their dad or another father figure. This occasion allows dads to treat their little Valentine to a semi-formal night of dancing and festivities. Light refreshments will be provided throughout the evening. Each young lady receives an individually wrapped flower and a goody bag, included in the ticket price. Other novelty items will be sold, and affordable professional portrait packages will be available for purchase.

This program has sold out in past years and requires pre-registration. Due to the popularity of the Father Daughter Dance, the Recreation Division is offering the dance on three different evenings. Registrants can choose from **Fri. Feb. 9**, **Sat. Feb. 10** or **Sun. Feb. 11**. The dances will be held each night from **6 p.m. to 8:30 p.m.** Doors will open at 5 p.m. for pictures only. Don’t miss the chance to make a lasting impression and a loving memory!

Tickets are **\$25** per couple; each additional child in the same family is **\$10** each. Participants must be accompanied by an adult. If space permits, tickets may be available at the door.

For more information or to purchase tickets, contact the Lompoc Recreation Division at 875-8100 or come by and see us at the Anderson Recreation Center, 125 West Walnut Avenue, Monday through Friday from 9 a.m. to 5 p.m. Tickets may also be purchased online through the Recreation Division’s new ACTIVE system at:

The Lompoc Recreation Division

The City of Lompoc Recreation Division has grown significantly since it was started in 1945, as the community realized the importance of recreation to quality of life. The mission of the Lompoc Recreation Division is to provide for a better quality of life by promoting positive social behavior, interaction with others, self-discovery and positive self-esteem through the development, implementation, and coordination of a wide variety of recreation and leisure services. Lompoc Recreation provides varied programs and services for youth, teens, and adults of all ages. The division also offers several venues for hosting public and private events, including the state-of-the-art Lompoc Aquatic Center.
