How to Ride COLT

COLT is equipped with two destination signs: one above the windshield and one on the outside of the bus. These signs identify the route the vehicle is operating on.

Have your exact fare ready – cash, monthly pass, or transfer. Drivers cannot make change. Take a seat immediately after entering and stay seated at all times. Please reserve the front seats for the elderly and disabled.

Customers in wheelchairs will board through the rear door. All COLT vehicles are wheelchair accessible.

Eating, drinking, or smoking are not permitted on board COLT vehicles at any time.

As the vehicle approaches your destination, let the driver know you wish to exit. Please remain seated until the vehicle has stopped. After you exit, stand to the side of the road or on the sidewalk, not in the road or on the sidewalk, until the vehicle has pulled away. For your safety, do not cross in front of the vehicle.

Lost and Found

If you leave an item on a COLT vehicle, call 736-7666 as soon as possible. Tell us what route/bus you were on, the direction you were traveling and the time and location you got off. We will be able to provide an exact description of the lost item and telephone number where we may contact you. All items are held in our offices for safekeeping for up to 10 days.

Planning Your Trip

The system map shows the COLT routes as bold lines. Street names are shown for reference only, as many key points of interest. Using the System Map, determine which COLT route runs closest to your starting and ending points. If you need more than one route to complete a trip, it’s easiest to transfer at one of the Transfer points.

Once you have located the correct route, follow these steps:
1. Make sure COLT offers service on the day you wish to travel.
2. Arrows along each route show the direction the bus travels.
3. Locate the interaction nearest to where you wish to board.
4. Read across the column to find the time that is most convenient.
5. Read down to find when you will arrive at your destination.
6. Please limit packages to 3 per person or to what can be carried on by passengers in one trip.

If you would like assistance planning your trip, call our customer service at 736-7666.
