SUBJECT: Consideration of Planning Commission Recommendations for Approval of the Comprehensive Update to Title 17 of the Lompoc Municipal Code.

Recommendation:

Council take the following actions:

- 1) Continue the public hearing to June 4, 2019 at 6:30pm;
- 2) Provide other direction.

Background/Discussion:

On February 19, 2019, the City Council considered recommendations from the Planning Commission regarding a comprehensive update to Title 17 (Zoning) of the Lompoc Municipal Code (Update). At that meeting, the City Council directed the Update be returned to the Planning Commission. The Planning Commission reviewed the Update at their meeting of April 10, 2019. Currently, staff has been reviewing Planning Commission recommendations and working with the public and various departments before presenting the recommendations to the City Council. At this time, staff is requesting a continuance of the public hearing in order to provide more time for follow-up work needed before bringing the Update back to the City Council on June 4, 2019.

Respectfully submitted,

Brian Halvorson, Planning Manager
