Q: How does Zip Books work?
A: If you request a book or audiobook that the Lompoc Public Library does not own, the Library will try to purchase the item and have it shipped directly to you rather than borrow the item from another library. When you are finished with your item, you simply return it to your local library branch.

Q: What is eligible for Zip Books?
A: Books (regular or large print) that cost up to $50 (pre-tax) or audiobooks that cost up to $75 (pre-tax) and are available through Amazon Prime are eligible for Zip Books. Some restrictions apply. Videos or DVDs are NOT eligible.

Q: Who can use Zip Books?
A: Registered borrowers in good standing of the Lompoc Library are eligible.

Q: How do I use Zip Books?
A: Ask for a Zip Books request form at the front desk. Library staff will help you complete the form. Library staff will purchase the requested item through Amazon and have the item shipped directly to you.

When you are finished with your item, simply return it to your local library branch.

Q: May I request more than one item through Zip Books?
A: You may request another item when you return the one that was shipped to you.

Q: What if I have more questions?
A: Please call 805-875-8778 for more information.
