

Notices of Exemption – Annual Operation and Maintenance Plan for Fiscal Year 2019-2020

The following Notices of Exemption (NOE) are described as they are found in the California Environmental Quality Act (CEQA) guidelines. Any Department or Division may qualify for any of these NOEs, as long as the work proposed meets the description as it is included in these guidelines, and is not subject to any of the exceptions found in Section 15300.2 of the CEQA guidelines. Exceptions include: project location where impacts to hazardous or critical environmental resources may be impacted; projects where there are potentially significant cumulative impacts; projects which may damage scenic resources; hazardous waste sites; sites with historical resources. While these state identified descriptions do not directly relate to all activities of each Department or Division, any activity that falls under one or more of the included descriptions could qualify as exempt.

NOTICE OF EXEMPTION

TO: [x] Clerk of the Board
County of Santa Barbara
105 E. Anapamu Street, Room 407
Santa Barbara, CA 93101

ER19-02 – City of Lompoc Annual Operations and Maintenance Plan, Fiscal Year 2019-2020 – Existing Facilities

Project Title

Citywide, Lompoc, Santa Barbara County, California

Project Location

Maintenance activities to be performed by the City of Lompoc for ongoing maintenance and operations of public buildings, programs, roads, facilities, trees, landscaping, parks and utilities. The beneficiaries of this project are the residents of the City of Lompoc.

Description of Nature, Purpose, and Beneficiaries of Project

City of Lompoc

Name of Public Agency Approving Project

City of Lompoc

Name of Person or Agency Carrying Out Project

Exempt Status:

[x] Categorical Exemption:

The proposed project is exempt from CEQA, based on its conformity with Sections 21084 and 15301 (Class 1) of the CEQA Guidelines. This exemption consists of the operation repair, maintenance, permitting, leasing, licensing or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use beyond that existing at the time of the lead agency's determination. The proposed project includes routine operations, repair, maintenance and minor alterations to public structures, facilities and mechanical equipment and will occur throughout the fiscal year.

Reasons why project is exempt

Stacy L. Lawson, Senior Environmental Coordinator 06/19/19 (805) 875-8275

NOTICE OF EXEMPTION

TO: [x] Clerk of the Board
County of Santa Barbara
105 E. Anapamu Street, Room 407
Santa Barbara, CA 93101

ER19-02 – City of Lompoc Annual Operations and Maintenance Plan, Fiscal Year 2019-2020 – Replacement or Reconstruction

Project Title

Citywide, Lompoc, Santa Barbara County, California

Project Location

Maintenance activities to be performed by the City of Lompoc for ongoing replacement or reconstruction of existing structures and facilities, where the new structure will be located on the same site as the structure replaced and will have substantially the same purpose and capacity as the structure replaced. The beneficiaries of this project are the residents of the City of Lompoc.

Description of Nature, Purpose, and Beneficiaries of Project

City of Lompoc

Name of Public Agency Approving Project

City of Lompoc

Name of Person or Agency Carrying Out Project

Exempt Status:

[x] Categorical Exemption:

The proposed project is exempt from CEQA, based on its conformity with Sections 21084 and 15302 (Class 2) of the CEQA Guidelines. This exemption consists of the replacement or reconstruction of existing structures and facilities, where the new structure will be located on the same site as the structure replaced and will have substantially the same purpose and capacity as the structure replaced, including replacement or reconstruction of existing utility systems and/or facilities involving negligible or no expansion of capacity and conversion of overhead electric utility distribution facilities to underground, including connection to existing overhead electric utility distribution lines where the surface is restored to the condition existing prior to the undergrounding. The proposed project includes replacement of essential utilities on the same sites and with the same purpose and capacity as the utility being replaced or relocated underground. These activities will occur throughout the fiscal year.

105 E. Anapamu Street, Room 407
Santa Barbara, CA 93101

ER19-02 – City of Lompoc Annual Operations and Maintenance Plan, Fiscal Year 2019-2020 – New Construction or Conversion of Small Structures

Project Title

Citywide, Lompoc, Santa Barbara County, California

Project Location

Construction and location of limited numbers of new, small City facilities or structures; installation of small new equipment and facilities in small structures; and the conversion of existing small structures from one use to another, where only minor modifications are made in the exterior of the structure. The beneficiaries of this project are the residents of the City of Lompoc.

Description of Nature, Purpose, and Beneficiaries of Project

City of Lompoc

Name of Public Agency Approving Project

City of Lompoc

Name of Person or Agency Carrying Out Project

Exempt Status:

[x] Categorical Exemption:

The proposed project is exempt from CEQA, based on its conformity with Sections 21084 and 15303 (Class 3) of the CEQA Guidelines. This exemption consists of construction and location of limited numbers of new, small City facilities or structures; installation of small new equipment and facilities in small structures; and the conversion of existing small structures from one use to another, where only minor modifications are made in the exterior of the structure. The numbers of structures described in this section are the maximum allowable on any legal parcel. The proposed project includes relocation of minor facilities, electrical boxes and related small structures as a part of ongoing City operations, repair and maintenance. These activities will occur throughout the fiscal year.

ER19-02 – City of Lompoc Annual Operations and Maintenance Plan, Fiscal Year 2019-2020 – Minor Alterations to Land.

Project Title

Citywide, Lompoc, Santa Barbara County, California

Project Location

Activities to be performed by the City of Lompoc and its contractors and subcontractors, including, but not limited to: landscaping, tree care, minor trenching and backfilling, temporary uses, and creation of bicycle lanes on existing right-of-ways. The beneficiaries of this project are the residents of the City of Lompoc.

Description of Nature, Purpose, and Beneficiaries of Project

City of Lompoc

Name of Public Agency Approving Project

City of Lompoc

Name of Person or Agency Carrying Out Project

Exempt Status:

[x] Categorical Exemption:

The proposed project is exempt from CEQA, based on its conformity with Sections 21084 and 15304 (Class 4) of the CEQA Guidelines. This exemption consists of minor public alterations in the condition of land, water and/or other vegetation, which do not involve removal of healthy, mature, scenic trees, except for forestry and agricultural purposes. Examples include, but are not limited to: new gardening or landscaping, filling of earth into excavated land with compatible material, minor temporary uses of land having negligible or no permanent effects on the environment, minor trenching and backfilling, and creation of bicycle lanes on existing right-of-ways. These activities will occur throughout the fiscal year.

ER19-02 – City of Lompoc Annual Operations and Maintenance Plan, Fiscal Year 2019-2020 – Information Collection

Project Title

Citywide, Lompoc, Santa Barbara County, California
Project Location

Projects include: Data collection, research and resource evaluation activities that do not result in a serious or major disturbance to an environmental resource. These activities must be strictly for information gathering purposes, or as a part of a study leading to an action, which a public agency has not yet approved, adopted or funded. Any study, which may include an impact on natural resources or impacts such as noise, must undergo separate environmental evaluation. Any Department may undertake these projects. The beneficiaries of this project area are the residents of the City of Lompoc.

Description of Nature, Purpose, and Beneficiaries of Project

City of Lompoc
Name of Public Agency Approving Project

City of Lompoc
Name of Person or Agency Carrying Out Project

Exempt Status:

[x] Categorical Exemption:

The proposed project is exempt from CEQA, based on its conformity with Sections 21084 and 15306 (Class 6) of the CEQA Guidelines. This exemption consists of basic data collection, research, experimental management, and resource evaluation activities, which do not result in a serious or major disturbance to an environmental resource. These may be strictly for information gathering purposes, or as part of a study leading to an action, which a public agency has not yet approved, adopted or funded. Data collection and feasibility studies may be conducted throughout the City during this fiscal year.

ER19-02 – City of Lompoc Annual Operations and Maintenance Plan, Fiscal Year 2019-2020 – Leasing New Facilities.

Project Title

Citywide, Lompoc, Santa Barbara County, California

Project Location

Projects include leasing of newly-constructed or previously unoccupied, privately-owned facilities by a local agency, where the building's construction was exempt from CEQA, as determined by the local lead agency. Any Department may undertake these projects. The beneficiaries of this project area are the residents of the City of Lompoc.

Description of Nature, Purpose, and Beneficiaries of Project

City of Lompoc

Name of Public Agency Approving Project

City of Lompoc

Name of Person or Agency Carrying Out Project

Exempt Status:

Categorical Exemption:

The proposed project is exempt from CEQA, based on its conformity with Sections 21084 and 15327 (Class 27) of the CEQA Guidelines. This exemption consists of leasing of newly-constructed or previously unoccupied, privately-owned facilities by a local agency, where the building's construction was exempt from CEQA, as determined by the local lead agency.

Reasons why project is exempt

Stacy L. Lawson, Senior Environmental Coordinator 06/19/19 (805) 875-8275

ER19-02 – City of Lompoc Annual Operations and Maintenance Plan, Fiscal Year 2019-2020 – Minor Actions to Prevent, Minimize, Stabilize, Mitigate, or Eliminate the Release or Threat of Hazardous Waste or Hazardous Substances.

Project Title

Citywide, Lompoc, Santa Barbara County, California
Project Location

Projects include actions by the City of Lompoc and its contractors to prevent and clean-up minor spills of hazardous waste or substances. The beneficiaries of these projects are the residents of the City of Lompoc.

Description of Nature, Purpose, and Beneficiaries of Project

City of Lompoc
Name of Public Agency Approving Project

City of Lompoc
Name of Person or Agency Carrying Out Project

Exempt Status:

[x] Categorical Exemption:

The proposed project is exempt from CEQA, based on its conformity with Sections 21084 and **15330 (Class 30)** of the CEQA Guidelines. This exemption consists of any minor clean-up actions taken to prevent, minimize, stabilize, mitigate, or eliminate the release, or threat of release, of a hazardous waste or substance, which are small removal actions. All actions must be consistent with applicable state and local environmental permitting requirements. City employees are prepared to clean-up minor spills with spill kits at any time. These activities will take place, as necessary, throughout the fiscal year.

Reasons why project is exempt
