

APPLICATION FOR BUILDING ENERGY AND WATER USE DATA

This form is made available for authorized parties (Applicant) to acquire the energy use data for a "covered building", under the Building Energy Use Data and Public Disclosure Program (Program), (AB 802 Benchmarking and Public Disclosure Requirements), as defined within Title 20, Division 2, Chapter 4, Article 9, Sections 1680-1685 of the California Code of Regulations. This form may also be used to request energy and water use data not related to compliance with the Program.

All definitions, terms and conditions of the Program are hereby incorporated to and made part of this form by reference.

All parties are bound to the data request practices and protocols of the utility providing energy service(s) to the buildings referenced herein and will perform best efforts to comply with all specified data request requirements.

A Customer Energy Data Release Form is required if the request for data is for a building that has (1) fewer than 3 active utility accounts, none of which are residential, or (2) fewer than 5 active utility accounts, at least one of which is residential.

A Proof of Ownership Form is required to be submitted with this application. Owner/customer agent must have letter of authorization.

The Applicant must provide, at a minimum, the street address of the covered building for which energy usage data is being requested. If the covered building is known by the Applicant to include more than one: parcel, premise, address, structure, account, service and/or meter, the Applicant must provide as much detail about the building as is available to them at the time of the data request.
