

Update on COVID-19: Coronavirus Preparedness

MARCH 17, 2020

JIM THROOP, CITY MANAGER

PRESENTATION TO THE CITY COUNCIL

WHAT WE KNOW SO FAR

- What is Coronavirus? (COVID-19)
 - A previously unidentified virus that affects individuals with mild to severe symptoms such as fever, cough and shortness of breath. Coronaviruses affect the respiratory system, infection can cause pneumonia, severe acute respiratory syndrome, kidney failure, and death.
- World Health Organization declared COVID-19 a global pandemic
- President declares National Emergency on March 13, 2020
- Governor Newsome has declared a state of emergency for conditions cause by COVID-19 on March 4, 2020
 - Social distancing: Until March 30, 2020: all nonessential gatherings of 250 or more people be cancelled or postponed
 - Small gatherings should include six (6) foot distancing between participants with high risk of severe illness
 - President urges public to avoid crowds of 10 or more for a 15-day period (as of 3/16/2020)
- **One confirmed case in Santa Barbara County (north county resident)**
- **5 UCSB students in quarantine**
- **96 outstanding tests waiting for results in SB County**
- **5,613 US Confirmed Cases (John Hopkins University of Medicine, as of 3/17/2020 10:33:03 AM)**

SANTA BARBARA COUNTY PUBLIC HEALTH

- SB County Health has created a new website in response to Coronavirus (COVID-19) to provide timely information regarding the virus
- <http://PublicHealthSBC.org>
- SB County has declared a local health emergency
 - What does this mean?
 - Authorizes a local health officer to take any preventive measure to protect and preserve public health from a public health hazard
 - Enforce social distancing (6 ft distance between people in small gatherings)
 - Mandating cancellation or postponement of nonessential gatherings of 250 people or more
 - Avoid social gatherings of groups of 10 or more, per President's recommendation
- A COVID-19 call center is available for general questions from 8 a.m. to 5 p.m.
 - **833-688-5551**

HOW TO AVOID BEING INFECTED OR TRANSMIT THE VIRUS

- If possible, stay home & isolate
- Wash your hands with soap and warm water
- Cover mouths
- No contact such as handshaking
- Clean and disinfect areas
- Sanitize

WHAT IS THE CITY DOING NOW?

- Remaining in contact with other stakeholders (schools, hospitals, etc)
- Creating plans for keeping public safety and health going
- Understanding what are mission critical positions in city
- Encouraging social distancing with the following:
 - **Recreation**
 - Aquatic Center closure through April 5th
 - Cancellation of senior programs at the Dick DeWees Center until April 5th – except senior nutrition programming
 - All recreation division programming cancelled through April 5th
