How do I dispose of large, bulky items?

The City offers several programs to pick-up large items, such as furniture, appliances, mattresses and other bulky items. Large items can also be self-hauled to the Lompoc Landfill.

The Landfill accepts common trash, tree & yard clippings, wood waste, concrete, asphalt, top soil, tires, scrap metal, large appliances, electronic waste (anything with a cord or a battery), anti-freeze, car batteries, used oil and oil filters. The Landfill is located at the south end of Avalon St.

What items am I prohibited from placing in my refuse container?

It is against the law to place hazardous waste such as paints, paint thinner, flammable liquids, cleaners, pesticides, oil filters, automotive fluids, aerosols, fluorescent tubes, batteries and electronic waste in your refuse container.
