Subject: Interim Kids Motorcycle Fun Park in Lompoc

Dear Mr. Fernandez:

The City of Lompoc has reviewed a request by the Lompoc Valley Parks, Recreation, and Pool Foundation, Inc. (LVPRPF) to develop an interim Kids Motorcycle Fun Park on City-owned property. The proposed Park will be developed and operated according to a Memorandum of Understanding (MOU) between the City and the LVPRPF.

The project includes: enclosing an approximately one-acre site at the entry to River Park; providing parking for vehicles on-site; enclosing the riding area and limiting it to 50cc motor-driven cycles; offering safety classes riders must complete, provided on-site by LVPRPF volunteers; operating the facility on weekends and holidays only and manning the facility with LVPRPF volunteers.

The City supports the efforts of the LVPRPF in creating a safe Off-Highway Vehicle (OHV) recreation opportunity for the community. The interim park is the first step by LVPRPF in managing a small scale facility to provide education and a safe and fun riding opportunity for younger riders. The City will continue to work with and support LVPRPF in achieving the goal of developing a family-oriented, multi-use facility to highlight OHV riding in a safe and responsible manner.

Please contact Ms. Teresa Gallavan, Economic Development Director / Assistant City Administrator at 805.875.8274, or by email at: t_gallavan@ci.lompoc.ca.us if you have any questions regarding the project.

Sincerely,

Laurel M. Barcelona
City Administrator
