DEFENDING
OUR FREEDOM

Vision:

To create a place of solitude where family and community members could go to pay their respect to the local American heroes who gave their last breath to keep our freedom.

Who will be honored?

Local warriors, from all of our nation's conflicts, will be memorialized on commemorative pedestals. These heroes were all residents of the Lompoc Valley.

Honoring Loved Ones:

In addition to the commemorative pedestals that honor the fallen warriors of Lompoc Valley, there will be two special sections available, for anyone to purchase a stone in honor of a loved one or make a donation and be a part of the memorial.

How can we get involved?

Please contact us today to purchase a stone in honor of a loved one, or make a financial donation. We can't build this memorial without the support and help of local community members like you.
