**SUBJECT: RESOLUTION NO. 5642(10) DESIGNATING CERTAIN STREETS
IN THE VICINITY OF RYON PARK FOR PERMIT PARKING DURING
THE 2010 FLOWER FESTIVAL**

RECOMMENDATION:

The City Council adopt Resolution No. 5642(10), designating certain streets in the vicinity of Ryon Park for permit parking for residents only during the 2010 Flower Festival.

DISCUSSION:

Lompoc Municipal; Code section 10.28.220 authorizes the City Council to adopt a resolution that imposes preferential parking restrictions for certain streets during specified dates for special events. The intent of the permit parking is to reduce the vehicular traffic congestion in the designated area.

Parking by permit during Flower Festival has been implemented in the vicinity of Ryon Park since 1993. Residents have been pleased with this, which secures parking spaces for their vehicles and reduced traffic. The parking restrictions are noted on Exhibit "A" of Resolution No. 5642(10).

Parking Permits:

As proposed, parking permits (two [2] per resident ONLY) will be issued to each area residence shown on the Resolution Exhibit "A," and parking for the general public will be available at the Lompoc Valley Middle School (Saturday and Sunday), downtown parking lot, and athletic fields at Ryon Park. The parking restrictions will be in effect June 23 - 27, 2010. Warning signs will be posted, which indicate parking is by permit only. The Police Department intends to issue citations only to vehicles parking without a permit in a permit parking zone.
