Secured by Check Point

Given the recent news of the closure of chamber supported programs I believe our community will be greatly affected. This change should be revised.

This closure would be a significant loss for our region. The Chamber plays a vital role in supporting local small businesses, building community connections, and offering programs like Leadership Lompoc Valley, youth development, military affairs partnerships, and small business workshops. Its absence would be deeply felt.

Pleased consider keeping the chamber open. As a volunteer for Community Partners, a non-profit program, I have the seen the impact these services can provided to our local community. The public needs the access.

Thank you.
