Hello,

I am writing this email to voice concern regarding the City Council defunding the Lompoc Chamber of Commerce.

I have been a resident of Lompoc since 2019. I was born and raised in Santa Barbara, but I moved to Lompoc to lay my roots and purchase a home.

For the past 6 years I have lived in Lompoc I have participated in many of the events that the Lompoc Chamber of Commerce has hosted for the community/youth. Participating in these events have helped make Lompoc feel like home.

I also support many local business in Lompoc and think it's important as a small town to promote and encourage locally owned small businesses. The Lompoc Chamber of Commerce is an advocate for small businesses and a catalyst for economic prosperity.

These are only a couple of examples of how the Lompoc Chamber Commerce plays a vital role in our community, but there are countless other reasons why the City Council should reconsider their vote on cutting funds.

Please don't cut funding for the Lompoc Chamber of Commerce.

Sincerely,

Adriana De Alba, MSHA
