Subject: Lompoc City Council meeting, Tuesday, June 17 at 6:30 PM - Support for the Lompoc Chamber of Commerce – Request to Reconsider Funding
Sent: 6/17/2025 2:23:36 PM

Dear Mayor and Council Members,

We are writing to express our strong support for the Lompoc Valley Chamber of Commerce and respectfully urge the City to reconsider its decision to stop funding this vital organization.

The Chamber plays a critical role in supporting our local business community through events like Old Town Market, Small Business Saturday, ribbon cuttings, and mixers, to name a few —each of which connects residents, promotes local businesses, and strengthens community engagement. For small, family-owned businesses like ours, these programs not only help us reach new customers, but also allow us to learn about and support other local enterprises.

The Chamber's work goes far beyond these events; it serves as a key partner in promoting economic growth, tourism, and collaboration between businesses and the City. Removing financial support now would hinder these efforts and weaken one of the strongest advocates for our local economy.

Rather than withdrawing support, now is the time to strengthen our partnership with the Chamber to ensure that Lompoc remains a thriving, business-friendly city that attracts investment, tourism, and opportunity. We urge the Council to reconsider and restore funding for the Chamber, recognizing the immense value it brings to our community.

Sincerely,

Mireia Taribó & Tara Gomez
