To Whom It May Concern:

I want to express my deep concern regarding the recent decision to cease the Lompoc Chamber of Commerce. As a local business owner, I have personally experienced the invaluable support and guidance they provide. Many lasting friendships have been built personally and professionally which I truly believe is essential to building relationships for our local businesses to thrive and succeed.

The Chamber has been instrumental in advocating for economic development and fostering community engagement through cherished local events.

I can personally appreciate and respect their resources have been vital for my business's growth and success, offering insights that have shaped my journey as a Chamber member. The Chamber not only supports local businesses but our thriving youth, so this alone strengthens the FUTURE, of our community as a whole.

As many of us will stand together this evening, it is my hope, that we recognize the importance of the Lompoc Chamber of Commerce and the positive impact it has on our community, because when local businesses thrive and successful programs provide opportunities for our youth, so does our community.

Thank you for your time.

Kind Regards,
Vilay Saikeo
