Hello,

My name is Celest Mendoza with Goodwill Mission Services. I am writing in support of the full time Library Assistant I position to help support the expansion of the Bookmobile for the Lompoc Community. I have had the pleasure to work with Rachell and the Library in regard to being able to place Goodwill's program participants at the Library and support the Book mobile. The expansion of this role within the library will not only bring more interactive learning opportunities for the community who benefit directly from the Library and the Book Mobile, but also real life work experience for youth like ours who benefit from working the Book Mobile. An added member to the team will benefit the community as a whole through the Book Mobile, but also being able to provide work experience and mentorship for local youth who are able to gain skills and directly help out their communities. This position and all aspects of the Book Mobile are privately funded, thus not affect the city's budget, in this case should be an outstanding yes to have this position move forward!

Please let me know if there are further questions on this matter.

Thank you,  
Celest Mendoza
