Dear City Council Members,

I am writing to express my strong support for the approval of funding for a library assistant for the Charlotte's Web Bookmobile, which is on the agenda for the City Council meeting on Tuesday, September 2.

The bookmobile plays an important role in our community, particularly in providing access to books, literacy programs, and educational events for local youth. Unfortunately, due to limited staffing, many of these valuable services have had to be scaled back. Hiring an assistant would not only help restore these programs but also ensure the continued success and reach of the bookmobile.

As a dedicated public servant and active participant in my community I know that these resources are valuable to the youth and young families in our community. Building and fostering a healthy and safe Lompoc starts with investing in programs such as this.

It is especially encouraging to know that the funding would come entirely from the Charlotte Benton Trust Fund, which was established specifically to support the Charlotte's Web Bookmobile. I believe this is a thoughtful and appropriate use of those funds and hope the council will approve this much-needed support.

Thank you for your time and consideration,

Sincerely,  
Erika Floyd
