

RESOLUTION NO. 6776(25)

**A Resolution of the City Council of the City of Lompoc,
County of Santa Barbara, State of California,
Amending the 2030 General Plan (Land Use Element, Noise Element),
and the General Plan Land Use Map to Ensure Consistency with the
Lompoc Airport Land Use Compatibility Plan (GP 2023-0003)**

WHEREAS, the City of Lompoc (City) General Plan includes references and standards from the 1993 Airport Land Use Plan (ALUP), adopted by the Santa Barbara Airport Land Use Commission, in the Land Use Element, Safety Element, and Noise Element; and

WHEREAS, on January 19, 2023, the Santa Barbara County Association of Governments Board of Directors, serving as the Airport Land Use Commission, adopted the Lompoc Airport Land Use Compatibility Plan (ALUCP) to replace the ALUP; and

WHEREAS, pursuant to California Government Code Section 65302.3, the City's General Plan must now be amended to ensure consistency with the new ALUCP; and

WHEREAS, City staff prepared amendments to the Land Use Element, Safety Element, and Noise Element of the General Plan to ensure consistency between the General Plan and the ALUCP (ALUCP amendments) and such ALUCP amendments are administrative in nature; and

WHEREAS, the Planning Commission held a duly-noticed regular public hearing on August 13, 2025, to consider recommendations to the City Council on the General Plan Amendments; and

WHEREAS, on August 13, 2025, the Planning Commission adopted Resolution No. 1019 (25) and No. 1020 (25) recommending that the City Council adopt the Amendments to the General Plan; and

WHEREAS, the General Plan Safety Element amendments was adopted by the City Council at a duly-noticed public meeting on September 2, 2025; and

WHEREAS, the City Council held a duly-noticed public hearing on September 16, 2025, to consider the Planning Commission's recommendations, which was continued to October 7, 2025;

WHEREAS, the City Council held a duly-noticed public hearing on September 16, 2025, and October 7, 2025, to consider the Planning Commission's recommendations.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF LOMPOC, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS:

SECTION 1: The City Council finds that the ALUCP amendments to the General Plan are exempt from review under the CEQA (California Public Resources Code Sections 21000, *et seq.*) pursuant to Section 15060(c)(3) of the CEQA Guidelines (Title 14, Chapter 3 of the California Code of Regulations) because the activity is not a project as defined in Section 15378(a) but it is an organizational or administrative activity by government that will not result in direct or indirect physical changes in the environment pursuant to Section 15378(b)(5). Alternatively, if the ALUCP amendments are found to be a project, the City Council further finds with certainty that there is no possibility that the ALUCP amendments may have a significant effect on the environment and are therefore exempt from CEQA pursuant to Section 15061(b)(3) of the CEQA Guidelines.

SECTION 2: Based upon the testimony provided, the Amendments, and other evidence received at the hearings and staff's written and oral analyses, the City Council finds the proposed Amendments are consistent with State Law and are necessary for the public health and safety, and to ensure consistency with the Lompoc Airport Land Use Compatibility Plan.

SECTION 3: The City Council approves the General Plan Amendments based on the following findings:

- a) The amendments are internally consistent with all other provisions on the General Plan;
- b) The amendments are internally consistent with any specific plan;
- c) The amendments serve the public necessity, convenience, and general welfare; and
- d) The amendments are in compliance with the provisions of the California Environmental Quality Act (CEQA).

SECTION 4: The Amendments to the City's 2030 General Plan are hereby adopted, as shown in Exhibit A, Exhibit B, and Exhibit C, attached hereto and incorporated herein by this reference.
